

**1199SEIU GREATER NEW YORK BENEFIT FUND
SUMMARY OF MATERIAL MODIFICATIONS**

This Summary of Material Modifications describes temporary changes that affect your welfare benefit plan and updates the Summary Plan Description (“SPD”) and Summary of Benefits and Coverage (“SBC”) that was previously distributed to you. You should keep this summary with your current SPD and SBC until the changes discussed herein expire.

Effective on or about March 20, 2020, and until the end of the State of Emergency (“SoE”) declared by New York Governor Cuomo in Executive Order 202, issued March 7, 2020, or as otherwise noted or determined by the Fund, the 1199SEIU Greater New York Benefit Fund (the “Fund”) SPD and SBC shall be temporarily amended to include the following provisions:

1. To provide continuity of coverage for Participants who are temporarily unable to meet the eligibility threshold due to a loss of hours because of an involuntary quarantine and an involuntary isolation related to the Coronavirus Disease 2019 (“COVID-19”) pandemic;
2. To waive cost-sharing provisions and prior authorization requirements for in vitro testing for the detection of SARS-CoV-2 or its antibodies and for the diagnosis of COVID-19, and related services, when medically appropriate as determined by the Participant’s attending healthcare provider in accordance with accepted standards of current medical practice (Note: This change does not affect the SPD’s exclusion of employment-required tests);
3. To expand Participants’ access to telehealth by covering telehealth visits at network providers (in addition to Teladoc);
4. To extend coverage for up to 30 days after the last day of a member’s short-term disability leave or workers’ compensation leave (up to 26 weeks);
5. To extend the time frame for services with prior approval as of March 20, 2020, to 180 days;
6. Until June 18, 2020, to suspend prior authorization requirements, reserving the right to conduct retrospective reviews, for certain procedures managed by the Fund’s Care Management Programs and review vendors, including scheduled surgeries or admissions at hospitals;
7. To permit the Chief Medical Officer to approve Skilled Nursing Facility admissions for Participants who cannot be safely transferred home, yet do not need the level of services for which the hospital must make the space available for other patients during the current bed shortage, at a rate of pay to be determined by the Executive Director;
8. To clarify that retired members who are currently receiving a pension benefit from the 1199SEIU Greater New York Pension Fund and Retiree Health Benefits, and who return to work due to the high demand for healthcare workers during the SoE are not entitled to active coverage under the SPD, but are entitled to continue the Retiree Health Benefits they are otherwise entitled to notwithstanding their return to work; and

9. To exclude the period from March 1, 2020, until sixty (60) days after the announced end of the National Emergency, or such other date announced by the U.S. Departments of Labor and the Treasury, from the members' time limits for taking the following actions: electing COBRA coverage; notifying the Fund of a divorce, legal separation or disability determination for purposes of COBRA coverage; and filing a claim for benefits or an appeal of adverse benefit determination.
